

# Managing Cookie Donations in Smart Cookies

For both options, Girl Scouts receive credit towards the Cookie Share Program patch and the troop earns the proceeds from the donated packages.

## Shipped Cookie Donations and/or Donation-Only Orders from a Girl Scout Digital Cookie Site Link:

## Girl Scout Delivery or Cookies-in-Hand

### Option 1: River Valleys Inventory

- 1 Customer purchases online to be delivered by Girl Scout OR purchases in-person with cookies-in-hand (give now) delivery.
- 2 Go to Orders > Virtual Cookie Share, distribute the packages per Girl Scout, click Save
- 3 River Valleys will donate the cookies from council inventory
- 4 Repeat process for every new donation

### Option 2: Troop Inventory

- 1 Customer purchases online to be delivered by Girl Scout OR purchases in-person with cookies-in-hand (give now) delivery
- 2 Go to Orders > Tracked Cookie Share, choose recipients, and distribute packages per Girl Scout ("Other" column). Click Save
- 3 For each new donation, add packages to "Other" column as a running total
- 4 If the Girl Scout has enough inventory to cover the donations, you are done! If not, complete a T2G transfer to equal her donations from remaining troop inventory.
- 5 Take cookies from troop inventory to the chosen non-profit

## Booth Cookies

### Option 1: River Valleys Inventory

- 1 Customer purchases cookies from a booth
- 2 Go to Booth > My Reservations, find the booth, click on the menu to its right (3 dots), and click Smart Booth Divider
- 3 Enter the package counts for the cookie varieties purchased, and enter donations in "**CShare**" column (Virtual Cookie Share). Click Save and Distribute Sales
- 4 Select Girl Scouts who participated in the booth. Click Continue, then Save
- 5 River Valleys will donate the cookies from council inventory

### Option 2: Troop Inventory

- 1 Customer purchases cookies from a booth
- 2 Go to Booth > My Reservations, find the booth, click on the menu to its right (3 dots), and click Smart Booth Divider
- 3 Enter the package counts for the cookie varieties purchased, and enter donations in "**Tracked CS**" column (Tracked Cookie Share). Click Save and Distribute Sales
- 4 Select Girl Scouts who participated in the booth. Click Continue, then Save
- 5 Go to Orders > Transfer Order, select Troop to Girl, select a Girl Scout and click Apply.
- 6 For remaining inventory, enter the Girl Scout's share of the donated packages in **Booth Cases/Packages** column. Click Save to complete T2G transfer. Create a new transfer for every Girl Scout at the booth. Troops can enter these transfers at end of season to utilize excess inventory.
- 7 Take cookies from troop inventory to the chosen non-profit

NOTE: For donation sales from a Troop Digital Cookie Site Link for delivery, all donations are credited to Virtual CShare (council inventory) & will be credited to girls in Smart Cookies. See the Online Cookie Systems Guide for details.
