

Directions:

- Use the below captions and images to post on your social media channels to let friends and family know about the Girl Scouts Mini BarkBox.
- Participating in social media promotion for Mini BarkBox is optional. Girl Scouts and their caregivers can choose whether or not they want to engage in this activity.
- Adhere to all community guidelines and policies of the social media platforms you use. Respectful and responsible online behavior is essential.
- Safety first! Never share any personal contact information, your location details, or any other personal and potentially sensitive information on social media.
- Parents and caregivers are encouraged to review and approve their Girl Scout's social posts.
